

Driver Control Panel 5"

Kentkart Driver Control Panel (DCP) ensures the reliable and smooth performance of the Automated Fare Collection (AFC) and Vehicle Management System. Having a slim design, it is built to provide easy installation, maintenance, and compatibility with all types of vehicles: minibuses, buses, trolleybuses, and trams. It features a 5-inch high-resolution display and touch screen for intuitive operation and for tariff selection of different types of passengers.
